★ LIBERTY MUTUAL AUTO, HOME AND RENTERS INSURANCE

Members will benefit from NTEU's partnership with Liberty Mutual, one of the nation's largest insurers, to offer the Group Savings Plus[®] Program.

Some of the great benefits offered by Group Savings Plus[®] are:

- ◆ A money-saving group discount on auto, homeowners and renters policies;
- ◆ Convenient payment plan—checking account deduction or direct billing;
- ◆ 24-hour claims service;
- ◆ 24-hour emergency roadside assistance for auto customers;
- ◆ Personalized service from local representatives.

Group discounts, coupled with other premium reductions such as multi-car, multi-policy, safe driver, passive restraints and anti-theft device discounts, could result in substantial savings for you and your family. NTEU members will also receive the greatest discount allowable by law in each state. Discounts range up to 10% depending on the state in which you reside.

With the group discounts through NTEU, renters can pay as little as \$8 per month for a renters policy. Renters insurance will protect your possessions from theft, fire or water damage.

Liberty Mutual is also passing along additional savings geared toward the safety and maintenance of your auto and home. Save on products and services from Brinks Home Security, Terminix, Pep Boys, Lo Jack and other well-known companies.

★ PROFESSIONAL LIABILITY INSURANCE

NTEU members have the opportunity to purchase professional liability insurance. This insurance offers the following benefits:

Damages: The policy will pay all sums up to one million dollars (\$1,000,000), which you are obligated to pay as damage in suits based on acts, errors, or omissions committed in the performance of official duties.

Administrative Expense Coverage: The insurance company will provide counsel and pay cost of defense and monetary penalties arising out of disciplinary proceedings (including investigations) and judicial sanctions (monetary penalties imposed by any adjudicatory body as a result of error, act or omission). Up to \$100,000 annually is available for these expenses.

Coverages are provided by an AM Best "A" rated company and are summarized and subject to the terms, conditions and exclusions printed in the policy. Please refer to the policy form for specifics on coverages and limits. NTEU is in no way responsible for any such matters.

Premiums: Premiums are graduated based on member's grade. The premiums are significantly less than the other professional liability insurance product that is available to federal employees.

★ SHORT-TERM DISABILITY, UNIVERSAL LIFE INSURANCE AND CANCER INSURANCE (from Colonial Life)

While you probably have health insurance, that coverage might not pay for the indirect costs of accidents, sicknesses and hospitalization—the costs no one thinks about until they become a reality. Colonial Life offers supplemental products that can help fill the gaps left by health insurance, with premiums paid through convenient payroll deductions.

- ◆ **Short-term Disability Insurance** helps offset the financial losses that occur when an employee is unable to work.
- ◆ **Cancer Insurance** helps protect you against the out-of-pocket medical and indirect, non-medical expenses related to cancer diagnosis and treatment.*
- ◆ **Critical Illness (with optional cancer coverage)** complements your major medical coverage by providing a lump-sum benefit you can use to help pay the direct and indirect costs related to covered critical illness.*

- ◆ **Hospital Confinement Indemnity Insurance** provides a lump-sum benefit for a covered hospital confinement and a covered outpatient surgery to help offset the gaps caused by copayments and deductibles in most major medical plans.
- ◆ **Accident Insurance** helps offset the unexpected medical expenses, such as emergency room fees, deductibles and copayments that can result from a covered accident. An accidental death policy is also available.
- ◆ **Universal Life Insurance** provides death benefits coverage that you can increase or decrease as your needs change. The policy builds cash value on a tax-deferred basis at current interest rates and has flexible premium payments and coverage amounts.

** There are two ways to purchase cancer coverage—as a critical illness policy with cancer coverage, or as a stand-alone cancer policy that does not cover other critical illnesses. Please review fully with your Colonial Life representative the specific benefits of each, when making your decision.*
