Dear NTEU Member,

Inside these pages you will find information about the exclusive money-saving benefits available to you as an NTEU member. The benefits are wide-ranging — from free tax preparation software and travel discounts to group rates on insurance products and savings on professional courses. I encourage you to save this guide as a reference and watch for announcements of new offerings. If you're moving to a new home or a new position at work — or you just need an oil change, there is surely a benefit to suit your needs.

While this guide can help save you and your family money, you won't find some of the most important benefits of your NTEU membership inside.

Your NTEU contract contains benefits you use every day, whether it's telework, AWS, performance awards or the pages of critical workplace protections and rights. And in your workplace are trained chapter leaders ready to answer your questions, support you and resolve any issues that may arise.

With NTEU, you benefit from a strong voice in Congress that yields results including paid parental leave, fair pay, a secure retirement and adequate agency funding.

Working for you are some of the best labor attorneys, pursuing groundbreaking cases and winning millions of dollars in back pay and higher overtime rates in many workplaces.

Another integral benefit of your NTEU membership is delivered to your inbox every week. Our e-newsletters provide breaking workplace news, while our print publications provide in-depth information and analysis.

And then there's the knowledge that you're part of a community of federal employees from diverse backgrounds and talents, united by a commitment to public service and to improving the federal workplace.

Whatever your favorite member benefit, NTEU is honored to have you on board. Thank you for your support of our union and everything you do for our country.

Colonial Life Personal Insurance Products

Supplemental Insurance

Health insurance coverage might not pay for the indirect costs of accidents, sicknesses and hospitalization — the costs people rarely anticipate. Colonial Life offers supplemental products that can help fill the gaps left by health insurance, with premiums paid through convenient payroll deduction.

Colonial Life products share important features:

- Coverage is available for you and your family with most products.
- You receive benefits regardless of any other insurance you may have with other insurance companies.
- Benefits are paid directly to you, unless you specify otherwise.
- Premiums are paid through the federal allotment process.
- With most plans, you can continue coverage with no increase in premium when you retire or change jobs.
- Accident Insurance helps offset the unexpected medical expenses, such as emergency room fees, deductibles and co-payments that can result from a covered accident.
- Cancer Insurance helps protect you against the out-of-pocket medical and indirect, non-medical expenses related to cancer diagnosis and treatment.*
- Critical Illness Insurance (with optional cancer coverage) complements your major medical coverage by providing a lump-sum benefit you can use to help pay the direct and indirect costs related to a covered critical illness.**
- Disability Insurance replaces a portion of your income to help make ends meet if you become totally disabled due to a covered accident or covered sickness.
- Hospital Confinement Indemnity Insurance provides a lump-sum benefit for a covered hospital confinement and a covered outpatient surgery to help offset the gaps caused by co-payments and deductibles in most major medical plans.
- Life Insurance (Universal and Whole Life) enables you to tailor coverage for your individual needs and helps provide financial security for your family members.

** There are two ways to purchase cancer coverage — as a critical illness policy with cancer coverage, or as a stand-alone cancer policy that does not cover other critical illnesses. Please review fully with a Colonial Life benefits representative the specific benefits of each when making your decision.*

***Policies have exclusions and limitations that may affect benefits payable. Benefits vary by state and may not be available in all states. See your Colonial Life benefits counselor for complete details. Colonial Life products are underwritten by Colonial Life & Accident Insurance Company, for which Colonial Life is the marketing brand.*
